

HAMBURG

**is expanding and looking for a new colleague,
with forwarding experience, to join our team!**

Sprechen Sie Deutsch? - and are you the one?

Would you like to be part of a professional and successful forwarding– and logistics company, specializing in Eastern Europe? We offer a versatile role in a dynamic and international company!

ICT Logistics offer a broad palette of services and handle anything from groupage shipments to large projects– and special transports. From our Hamburg office we service the CIS and CEE countries as well as Central Asia and European markets, in close cooperation with our local offices and agents

WE offer:

- An attractive job in an international environment.
- An active day full of responsibilities and challenges
- A job that delivers professional as well as personal development
- A great team of colleagues
- An informal work environment

What we expect from YOU:

- Trained in forwarding / transport sector—preferably with a few years experience
- Fluent in German and English (corporate language) verbal as well as written
- Not afraid of a challenge—you always deliver first-class service to our clients
- Independent as well as a great team player
- Result oriented and dynamic

Start date—ASAP. Interviews are held on an ongoing basis and the position filled as soon as the right person appears!

Office address: ICTL Logistics GmbH – Gutenbergring 69D, DE-22848 Norderstedt / Hamburg

Please submit application via e-mail to Branch Manager, Henning Lund: hlu@ict-as.dk

Questions about the position? Please contact Henning by e-mail or phone: +49 (0)40 8740 8372

Application deadline—ASAP

*ICT Logistics A/S have own offices in Denmark, Lithuania, Latvia, Ukraine, Russia,
